Hey Maria!

That is correct no one has been on-site to salt the front or back of the lot at all this year.

We had someone come and ask a few questions about where to put the snow but they did not return after that and no salting was done.

Best,

Hello Crystal,

I'm so sorry, our contractor told me they dispatched to your site for the salting last week. Did no one show up at all these past several days?

Thanks,

Maria

Hello!

Our lot is iced over and packed down with snow.

It was my understanding that someone was going to be coming out here last week to salt the lot (front and back) and no one has been here yet.

Can we have someone come out here and salt as it is not safe since nothing has been done since the initial snow last week.

Best,

Crystal Darling

Hello!

No one has been here to plow or salt our lot yet.

Do we have an ETA on this?
